

NCMHCA Times

NCMHCA Purpose

- a. Promote the profession of mental health counseling.
- b. Provide a system of information exchange between mental health counselors through a newsletter, journal and other scientific, educational, and professional materials.
- c. Provide programs to mental health counselors to assist their updating and enhancing competencies.
- d. Promote legislation which advances and recognizes the profession of mental health counseling.
- e. Provide a public form for mental health counselors to address the social and emotional needs of their clients.
- f. Provide an alliance with counselors in others work settings to advance the entire profession of counseling.
- g. Promote minimal training standards necessary for mental health counselors.
- h. Promote scientific research and inquiry into mental health concerns.
- i. Provide a liaison on the state and national level with other professional groups to assist the advancement of the mental health field.
- j. Provide the public with information concerning the role and function of the mental health counselor.
